

SECRET

March 11, 1958

Dear Dan:

Enclosed are two copies of Amendment No. 2 to Contract NY-B-51110, which have been executed subject to the exception noted below.

Item No. 8 - We suggest that this paragraph be deleted in its entirety and the following wording substituted:-

"Modify the Canopy, Sextant Viewer, and Control Panel, relocate the Sextant Installation in the A3D and furnish certain related equipment and services, all in accordance with Contractor's letter to customer dated 31 January 1958 with annotation by [REDACTED] Contractor will use all reasonable effort to qualify such modifications for carrier operational suitability\$20,000."

25X1A

Very truly yours,

25X1A
